WINE BY THE BOTTLE

SAUVIGNON BLANC

Sauvignon Blanc originates from Bordeaux in France but has had success all over the world. Sancerre is renowned for its crisp and elegant styles while New Zealand and Chile are better known for their more vibrant and zesty styles. South Africa has started to produce some real award winners and have certainly ruffled some feathers on the global stage.

Villa Real Macabeo, La Manch, Spain 19.5

Valdemoro Sauvignon Blanc, Central Valley, Chile 23.5

First Dawn Sauvignon Blanc, Marlborough, New Zealand 28

Cloudy Bay Sauvignon Blanc, Marlborough, New Zealand 48

PINOT GRIGIO

One of the big success stories of recent years and the number one UK grape variety. Italy has had the most success with this grape where it produces an easy drinking uncomplicated style. It is worth looking further afield to the Southern hemisphere where countries like Chile are producing a slightly fuller style.

Villa Rosella Glera/Pinot Grigio, Veneto, Italy 23

Villa Molino Pinot Grigio del Venezie, Italy 24.5

CHARDONNAY

The Chardonnay grape is incredibly versatile and ranges from the lush rich tropical styles of Australia through to the clean, minerally styles epitomised by Chablis. It is experiencing a massive resurgence due to its adaptability

Torreón de Paredes Chardonnay, Valle de Rengo, Chile 26.5

P. de Marcilly Chablis, Burgundy, France 37.5

Terrazas Chardonnay Reserva, Mendoza, Argentina 40

AROMATICS

For those who enjoy the spice of life. These wines are flavoursome, fragrant and pungent but all have their own distinctive voice. Try the floral Gewurztraminer or the pronounced peach and apricot flavours that Australian Viognier excels at.

Pitmaster Viognier, Australia 27

Butterfly Ridge Riesling / Gewurtztraminer, Australia 27.5

The Peach Chenin / Viognier, Stellenbosch, S Africa 27.5

UP & COMING WHITES

An eclectic mix to be sure. For those who fancy something a bit different look no further. Feast your taste buds on a selection of cult wines from cult producers that will certainly get tongues wagging.

Villa Molino Soave, Italy..... 27.5

Terrasses de la Mer Picpoul de Pinet, Côteaux de Languedoc, France 29

Santiago Ruiz Albariño, Rias Biaxas, Spain 32.5

ROSÉ

Rosé wines are big business. Its official. Long gone are the days of poor quality mass produced roses. Winemakers have started to take it seriously and the results speak for themselves. Try a light and crisp Pinot Grigio blush or for those with a sweeter tooth White Zinfandel is the ultimate party wine.

Villa Real Tempranillo Rosé, La Mancha, Spain 19.5

Willowood White Zinfandel, California, USA 21.5

Villa Molino Pinot Grigio Blush delle Venezie, Italy 24.5

CABERNET & MERLOT

Two grape varieties that work very well together as epitomised by the finest Bordeaux wines but can also stand on their own two feet. Cabernet is bigger and bolder and can be a force to be reckoned with but don't under-estimate the softer rounder Merlot as it can also show huge complexity.

Valdemoro Merlot, Central Valley, Chile 23.5

The Coco Chocolate Merlot, Stellenbosch, S Africa 30

Chocolate Box Cabernet Sauvignon, Barossa Valley, Australia 33.5

SHIRAZ

Originating in the Rhône Valley in France this variety has travelled worldwide and seen particular success in Australia. Shiraz or Syrah can take on a huge range of guises from fruity and spicy like the Pitmaster Shiraz Viognier through to huge, bold and intense like the South African Conebush. Great with heavier foods.

Pitmaster Shiraz Viognier, South East Australia 27

Crozes-Hermitage, La Rollande, Brotte, Rhône, France 40

PINOT NOIR

They say if you want to lose money hand over fist in the vineyard plant Pinot Noir. it is a notoriously difficult variety to grow but with a lot of TLC it can produce some phenomenal wines from the sublime and silky French styles to the richer cherry fruits of the Southern hemisphere.

Le Versant Pinot Noir, IGP Pays d'Oc, France 28

Jackson Vintage Widow Pinot Noir, Marlborough, New Zealand 40

Cloudy Bay Pinot Noir, Marlborough, New Zealand 48

RIOJA & TEMPRANILLO

Tempranillo is considered by many to be the noble variety of Spain and it certainly seems to have found its home in Rioja. Bodegas LAN produce phenomenal wines from some of the best vineyard plots of the region. State of the art wine making and finest oak barrels are used to produce the fruity Crianza right through to the complex LAN Reserva.

Villa Real Tempranillo / Syrah, La Mancha, Spain 19.5

Bodegas LAN Crianza, Rioja, Spain 28.5

Bodegas LAN Gran Reserva, Rioja, Spain 43

UP & COMING REDS

It is always difficult to put such a varied range under one heading especially with such diversity as this. Why not try a Carmenere from Chile or a spicy Zinfandel from one of the oldest and most ecological wineries in California.

Villa Rosella Sangiovese, Rubicone, Italy 20.5

La Poderosa Malbec, Rapel Valley, Chile 24.5

Torreón de Paredes Carménère Reserva, Valle de Rengo, Chile 28

Terrazes des Los Andes Reserve Malbec, Mendoza, Argentina 47

DESSERT WINES

The perfect end to the perfect meal. Why not push the boat out with one of our lusciously sticky dessert wines? Choose from the classic French style with marmalade flavours in abundance or the Gewurztraminer driven Chilean number.
